## ***Marine Gravity / Magnetic / Seismic Survey***

### ***Blake Plateau - North***

**Survey Size:**

4,112 line miles

**Data Spacing:**

Variable

**Data Provided:**

- Profiles data: free-air gravity, 2-D Bouguer gravity, adjusted 2-D Bouguer gravity, water depth, total magnetic intensity minus Earth's normal field, adjusted total magnetic intensity minus Earth's normal field, intersection statistics
- Contour maps of: Bouguer gravity, magnetic anomalies, bathymetry
- Digital Data
- Report

**Conditions of Sale:**

Seismic data available

**Total Cost:**

Call for quotation
